9 investigation, or has been provided by other law enforcement officers:

10 (a) On December 3, 2015, National Park Service Rangers Stephen Goodman
11 and Warren Schlesinger were on routine patrol as a double unit within the boundaries of the
12 Lake Mead National Recreation Area, Clark County, Nevada.

13 (b) While so engaged, Ranger Goodman observed a gray 2003 Cadillac
14 Escalade bearing Arizona registration BPX1540 traveling southbound along U.S. Highway 93
15 near the intersection with Lakeshore Road at what appeared to be a high rate of speed. The
16 calibrated radar unit in the patrol vehicle confirmed that this vehicle was traveling 60 miles per
17 hour in a posted at 45 mile per hour. While following this vehicle Ranger Goodman observed
18 that it nearly made contact with the concrete center median as it attempted to negotiate a curve
19 in the roadway.

20 (c) Ranger Goodman initiating a vehicle stop at about mile 3.5 along U.S.
21 Highway 93. The driver was identified as **AMANDA MAE SOUTHERN** from verbal
22 information. This was confirmed through the Lake Mead Interagency Communications Center
23 and it was found that **AMANDA MAE SOUTHERN**'s Arizona driver's license was
24 suspended.

1 (d) During this face to face contact with **AMANDA MAE SOUTHERN**,
2 Ranger Goodman detected a moderate odor of an alcoholic beverage on her breath. **AMANDA**
3 **MAE SOUTHERN**'s eyes appeared glassy and her speech was slurred. Her balance was
4 swaying and she had mood swings where she would start crying. **AMANDA MAE**
5 **SOUTHERN** stated that she had consumed "two big Stella Artois beers" and "a glass of wine"
6 prior to driving.
